

About Charles “Sunny Jean” Victor

Charles “Sunny Jean” Victor (real name Jordan Gore) is a multi-talented creator from Altadena, California — blending music, storytelling, and radio into one bold artistic universe. The name Sunny Jean comes from the main character in Jordan’s original book series, *A Million Dayz*, a post-apocalyptic saga that mirrors his own journey of resilience, reinvention, and purpose. Before the rise of Sunny Jean, Jordan made his mark in the radio world. From 2009 to 2013, he hosted and produced *Phresh N Phamous Radio* — a breakout independent show known for spotlighting upcoming talent. During that time, he interviewed names like Big Sean, Angela Yee, YG, top models, entertainers, and rising artists, building a loyal audience and reputation for his sharp ear and authentic energy. Today, Sunny Jean stands at the crossroads of music, literature, and culture — creating a world where rock, rap, and storytelling collide. Whether through his gritty novels, cinematic visuals, or dynamic sound, Sunny Jean represents freedom, creativity, and rebellion — a voice for dreamers who build their own lane.
